If you're looking to stay active, make friends and get involved with people who speak your language, then look no further! Here at our centre, we provide social opportunities to people from non-English speaking backgrounds over the age of 65, in a warm, friendly environment.

It's a place for Victorian seniors from linguistically and culturally diverse backgrounds to come together.

Who can join?

If you're over 65, live in the Eastern or Southern Metro region and speak a language other than English, we'd love to hear from you.

We also welcome and support people with an acquired physical disability, a visual or physical impairment, who have dementia or who are frail aged.

Get involved

If you speak a language other than English, and celebrate a different culture, we've developed some activities just for you.

- Social and group activities
- Karaoke
- Tai Chi
- Gentle exercise
- Quizzes
- Games
- Outings and cultural events
- Information sessions from our Allied Health team
- Podiatry, physiotherapy and occupational therapy services.

What does it cost?

We charge a small daily fee to contribute to the cost of the program which covers all activities and refreshments.
